PETITION REQUESTING PUBLIC HEARING

We, the qualified electors of the City of Pittsburgh, request Pittsburgh City Council to conduct a public hearing relative to reopening Serpentine Drive in Schenley Park to cars. The Squirrel Hill Historical Society board and the people signing this petition feel that this road was intended for vehicular traffic, including bikes but not trucks, and not intended for pedestrians, who have many nearby trails to walk on that go to the same places. Serpentine Drive is the only road on the eastern side of Schenley Park that keeps traffic inside the park instead of sending it on long, hazardous detours on nearby residential streets, including one that has no sidewalks. Except for the Panther Hollow Bridge, it is the only road that connects the north side of the park with the south side without forcing traffic to leave the park. It is also a safer connecting road to Oakland from the Greenfield Bridge.

We, the undersigned, intend to attend the public hearing.

(Please make sure names, address, and phone numbers are legible. Illegible addresses and phone numbers will not count toward the 25 signatures.)
